Dear Dr. _____

I am a professional Master Practitioner in Neuro - Linguistic Programming (NLP) and Mental Emotional Release™ I am also trained in Thought Field Therapy Tapping Techniques and other relaxation and visualization techniques

Your patient has requested help in the area of _____

I do not attempt to treat or diagnose disease or mental disorders of any kind. The alternative therapies I practice in no way replaces standard medical procedures, but works in conjunction with them by freeing the patient of feelings and attitudes that may be inhibiting his or her natural immune system or other vital processes.

Your signature below authorizes me to use Neuro - Linguistic Programming and Mental Emotional Release™ and Tapping Techniques and other techniques with the above named patient for said condition or related conditions.

Thank you,

Trish Taylor
Master Practitioner, in NLP and Mental Emotional Release™, Thought Field Therapy (TFT) Training Approved by Callahan Techniques.
